City of Piedmont Relaxes Outdoor Watering Restrictions

PIEDMONT -- The City of Piedmont announced today that they are loosening restrictions on outdoor watering for their municipal water customers. "We are still seeing high usage, but thanks to the cooperation of our customers, we are in better shape than a week ago," City Manager Michael Vaughn stated. Piedmont water customers are being asked to follow an "odd-even" outdoor watering pattern until further notice. "We will continue to monitor the situation", Vaughn said. "If we have the same level of compliance with the system as we did last week, we should be able to lift all watering restrictions soon."
