

Do you have anything to recycle?

Why should I recycle?

- Save energy.
- Conserve natural resources such as water, timber, and other raw materials.
- Reduce pollution caused by the need to produce new material.
- Help sustain the environment for future generations.

Join us every first and third Saturday of the month from 8:00am- 12:00pm.

Location: 1604 Washington Ave West (past Cemetery Rd on the south side)
