b) Discussion, consideration and possible action on the engagement letter from the state auditor's office.

The council did not get the chance to approve the amount listed on the letter, which was between \$5000-\$10,000. He feels the audit is not going to tell us anything we don't already know. Staff will be working with Crawford and Associates to bring our current ordinance up to date which is in line with multiple cities around us and the state.

Mayor Pro Tem Kevan Blasdel made a motion that we accept the engagement letter and let the auditor's office continue the audit and whatever cost are billed we should pay it.

Motion failed for lack of a second
